## A Message from the Board Chairman and Executive Director

On behalf of the Board of Directors and staff of the Mississippi Food Network, Mississippi's Food Bank, we are pleased to provide you with our 2008-2009 Annual Report. Working with Feeding America, our member agencies, volunteers, community organizations and hundreds of generous people and businesses, we are making a significant difference in the lives of the people of Mississippi. We hope this report will show you the extent of our efforts to serve the hungry and to accomplish our mission of creating a hunger-free Mississippi through our programs and our people here at the Mississippi Food Network.

The scope of this task is massive and grows larger every year. Twenty percent of the population in Mississippi lives below the federal poverty level. Many of these individuals are employed full time and work every day, but their wages do not provide enough to meet their needs and now in our current economy, more people have lost their jobs and are unable to provide for their families. Accordingly, many more are being put in the position of asking their local pantries for help to feed their families each month. The Mississippi Food Network and our member agencies are dedicated to providing effective and far-reaching assistance to these families. The Board of Directors and our staff are dedicated to a proactive approach and we continue to look for innovative ways to provide better service.

During 2008-2009, our numbers were impressive. We distributed more than 15 million pounds of food and groceries, the equivalent of more than eleven million meals to our member agencies. With continuing community and national support, we have expanded our initiative to provide fresh nutritious produce to our member agencies at nominal or no cost. In addition, we continue to expand our child feeding programs through the Kids Cafe and Backpack programs. We are very thankful for this generous gift and the support of all of our donors.

We are always mindful of our mission to relieve poverty-related hunger by efficiently collecting and distributing wholesome food as well as through education and advocacy. As you look over this Annual Report, remember that each and every one of you plays a role in enabling this organization to provide so much support to so many. Our mission can only be accomplished through the generosity of others. Thank you for all that you do.

Sincerely,

William Thompson  
Chairman of the Board

Walker Satterwhite  
Executive Director

## Program Highlights

### CHILDREN'S PROGRAMS

In September 2008, Mississippi Food Network opened 12 additional Kids Cafe sites to help feed hungry children in our state. Through a partnership with the Boys & Girls Clubs of the Mississippi Delta, nine sites operate in their after school program. Each afternoon, 800 children across the Delta receive a nutritious snack before they begin their homework and other after school activities. In addition, we opened two Kids Cafe sites in Warren County. Approximately 130 children are being served through these two programs that are after school tutoring programs. Warren County started a new school year calendar that includes an intercession week every nine weeks. Mississippi Food Network is providing a nutritious lunch to the children each day during this time and helping these programs provide a safe, secure environment for these children. We also opened a Kids Cafe location in Hattiesburg at the Osceola McCarty Youth Development Program (OMYD) which provides after school tutoring for at-risk children. Mississippi Food Network is providing healthy snacks to an average of 30 children each day at this site. The OMYD program provides a safe environment for children to get after school tutoring assistance. Our first Kids Cafe, located in Greenville at the Boys & Girls Clubs of Washington County, which opened in September 2007, is still going strong and serving children a hot meal five days a week. They have now host a Summer Food Service Program each summer through the Mississippi Department of Education and provide 120 children breakfast and lunch each day.

Our Backpack program has also grown since our pilot program this past summer. We are now providing filled backpacks at four different locations. The Stewpot Community Services Children Program continues to provide backpacks each week to 120 children. In September 2008, we partnered with the Salvation Army in Laurel to provide 25-30 backpacks each week to children who are at risk for hunger in the Laurel area. We Care Community Services in Vicksburg is also distributing 35 backpacks each week to children they serve. The Stewpot and Salvation Army sites are utilizing their teens to pack the backpacks each week.

During the 2008 holiday season we provided holiday bags filled with canned food items for the children in the backpack program. These holiday bags will have food for the families to use during the Thanksgiving and Christmas season.

### MEMBER AGENCIES RECEIVE GIFT TO HELP INCREASE FOOD DISTRIBUTION

Thirty-two member agencies operating food pantries across the state can now increase the variety of foods they are able to distribute to their clients. Mississippi Food Network presented a new commercial cooler to these agencies to help increase their distribution of fresh fruits and vegetables and other refrigerated products. With an increase in the number of people using food pantries each month, these coolers will help build their capacity to better serve their clients since many of them do not have enough cooler/refrigeration space to store fresh fruits and vegetables and other refrigerated product. Providing these coolers is an excellent opportunity for us to help enhance the services of our member agencies and to distribute more food to needy Mississippians. With Mississippi being first in obesity, Mississippi Food Network has worked to provide fresh fruits and vegetables to the people served through our member agencies.

Statistics show that low-income families often do not have access to fresh produce or cannot afford to purchase it. These coolers will help us provide healthy alternatives to more people through an increase in the distribution of fresh fruits and vegetables.

### 2008 HUNGER'S HERO AWARD

Congratulations to Uncle Ben's Rice/Mars Foods in Greenville for being selected as the 2008 Hunger's Hero for Mississippi Food Network. Each year Mississippi Food Network awards the Hunger's Hero Award to an organization and/or individual in recognition of their leadership in the Network's effort to alleviate hunger in our State. The Hunger's Hero Award is the highest honor the Mississippi Food Network can bestow in our fight against hunger.

Uncle Ben's has been the sponsor of the Kids Cafe in Greenville since its opening in September 2007. In addition, they donate product to us on a regular basis from their plant and warehouse in Greenville. This is a great corporate sponsorship and we are delighted to be working with them in our fight against hunger in Mississippi. Ronny Taylor, Greenville Plant Manager and Kim Johnson accepted the award for Uncle Ben's.
