On behalf of the Board of Directors and staff of Mississippi Food Network, we are pleased to provide you with our 2022-23 Annual Report. Working with our partner agencies, community organizations, Feeding America, and hundreds of generous people and businesses, we are making a difference in the lives of our fellow Mississippians. We hope this report will help show you the extent of our efforts to serve our neighbors and those who are food insecure, as well as to accomplish our vision for a hunger-free Mississippi in our service area through our programs and the dedicated efforts of the people who work at Mississippi Food Network.

The scope of this task is massive, and it grows each year. Statistics continue to show that Mississippi has the worst hunger problem of all the states in the Union. Within MFN's 56-county service area, 279,760 individuals (15.8%) and 86,070 children (20.5%) are food insecure (Map the Meal Gap data).

Mississippi Food Network and our partner agencies are dedicated to providing effective and far-reaching assistance to needy families. The Board of Directors and our staff are dedicated to a proactive approach, and we continue to look for innovative ways to provide better service. This is supported by the Secretary of State's 2023 Report on Charitable Organizations in Mississippi (for fiscal year 2022), which indicates that 95% of our funds go back to our programs.

We are always mindful of our mission: Mississippi Food Network changes lives by fighting hunger today and feeding hope for a healthier tomorrow. As you look over this Annual Report, remember that our friends and donors play a critical role in enabling this organization to provide so much support to so many. Our mission can only be accomplished through the generosity of others, and for all of those who contribute to the work we do, we are very grateful.
